

Fall 2018

October 1, 2018

After taking two months off, we kicked off the Fall with a great September meeting featuring a program about the planned Epic Adventures Park in Kingsland.

The MOAA Messenger

September Meeting

Bill Gross of the W. H. Gross Construction Company gave a fascinating program about his ambitious project to build a new multi-use project at Exit 3.

Bill Gross is presented the MOAA mug in appreciation for speaking to our Chapter.

Bill was our guest presenter at the September monthly meeting of Kings Bay MOAA. He shared with us his planned Epic Adventures project in Kingsland. His company's project seeks to tap into the large volume of travelers on Interstate 95 to make Epic Adventures park a destination for the leisure traveler. The park will combine new overnight accommodations, an RV park, multiple restaurants and activity based attractions that are aimed for families. For more information see the links below:
