## **OCS News**

KBMOAA is at it once again. Planning has begun for Our Community Salutes (OCS) to recognize our Camden County and Charlton County High School seniors who are enlisting in the Armed Forces upon graduation. Bob Dickman is chairing this year's event and has already submitted our request for a MOAA Community Outreach Grant. The Committee has met twice this year and includes representatives from several different veterans support groups beyond KBMOAA. The dinner is set for Thursday May 7<sup>th</sup> at the Cumberland Inn and Suites. Brimley Catering will be serving the meal once again. If you want to participate in this inspiring event, let Bob know. He'd be glad to have your help.
